

Carmel Icehounds Hockey Club Registration Information

USA Hockey now provides individual membership registration online. This means every Carmel player and coach must access the USA Hockey website and register as a member. The player or coach will sign the USA Hockey Waiver and pay the USA Hockey and Affiliate membership fees. Upon completion of the registration, the player or coach will print out a confirmation receipt. The confirmation receipt should be mailed or emailed to the Carmel Hockey Club's Registrar. The individual cannot be placed on a Carmel team until the Club Registrar has their confirmation receipt. USA Hockey online registration is available July 1, 2005.
